

## Intern (m/f/d) for VICTORIAPARTNERS

VICTORIAPARTNERS is a leading independent investment banking boutique in the real estate sector in German speaking Europe. We are committed to delivering dedicated, best-in-class advice, analysis and financial services to our institutional clients including listed and non-listed property companies, private equity firms, asset and investment managers, institutional investors as well as selected family offices. Alongside our five business areas – M&A Advisory, Capital Markets Advisory, Institutional Capital & Funds Advisory, Corporate Advisory, as well as Capital Markets Research – VICTORIAPARTNERS assists its clients in structuring and executing strategic M&A transactions, equity and debt issuances at public markets, institutional fundraisings for non-listed vehicles as well as strategic and capital market related topics.

### Job description:

During your typically 12 weeks internship at VICTORIAPARTNERS you will gain insight in a wide range of real estate investment banking services. Our Interns will support the advisory teams in complex public and private M&A, capital markets or institutional fund transactions. As an Intern you will develop your analytical skills and will be a vital part of our advisory team. VICTORIAPARTNERS seeks highly motivated students throughout the year.

### Responsibilities include but are not limited to:

- Support in developing valuation analysis, including discounted cash flow, trading comparables, transaction comparables and LBO analysis
- Preparing presentation materials for use in live transactions or strategic client dialogue
- Assist our associate principals and associates on project coordination and client communication
- Monitor and report sector related news and market performances to the advisory team
- Conduct real estate and financial market as well as product related research

**Qualifications:**

- Bachelor student in an advanced stage or Master student in a finance and accounting related major with strong academic record
- Prior experience in transaction services, investment banking, accounting and finance or in the real estate industry is beneficial
- Very strong proficiency in Microsoft Office, especially in Excel and Power Point
- Strong quantitative and analytical skills (including Excel modelling and valuation)
- Ability to work well under pressure and tight deadlines
- Strong written and verbal communication skills
- Strong interpersonal skills, detail oriented, organized, pro-active
- Excellent verbal and written German as well as English language skills required

**Contact Information**

We are looking forward to receiving your application - please send your documents (Cover letter, CV, References and Transcript of Records) to **Sarina Engelke** at VICTORIAPARTNERS Human Resources ([recruiting@victoriapartners.de](mailto:recruiting@victoriapartners.de))
